

HCU-IT → Printing Instructions BYOD and DMZ for Windows

Updated July 2019

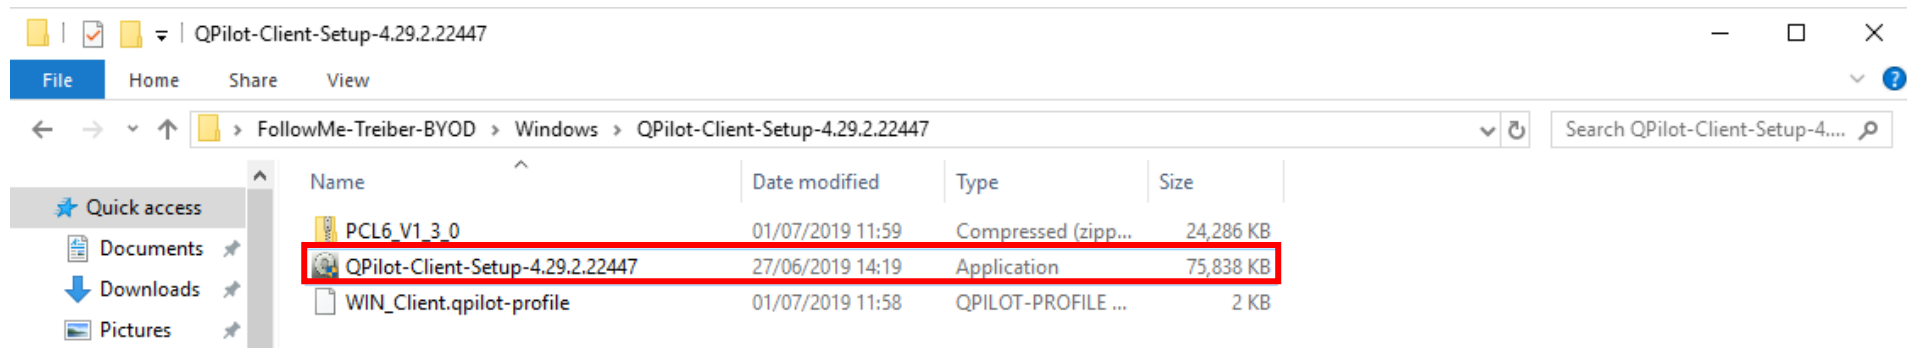

Enter [\\print03.ad.hcuhh.de](https://print03.ad.hcuhh.de) in your Explorer and copy the folder to your files.

A login is required on DMZ and BYOD computers.

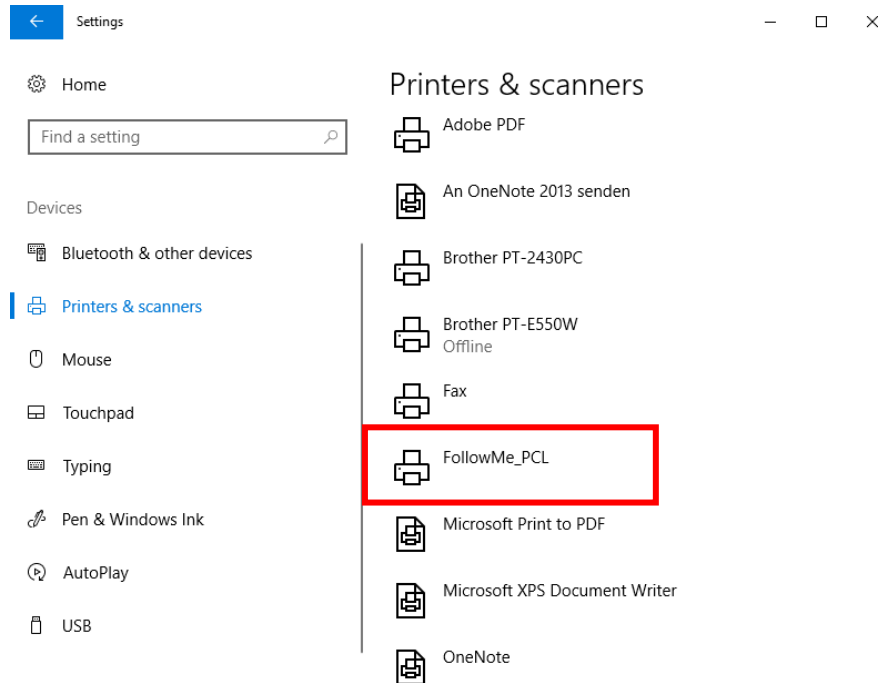

HCU-IT → Printing Instructions BYOD and DMZ for Windows

Run the application (right click > Run as administrator).

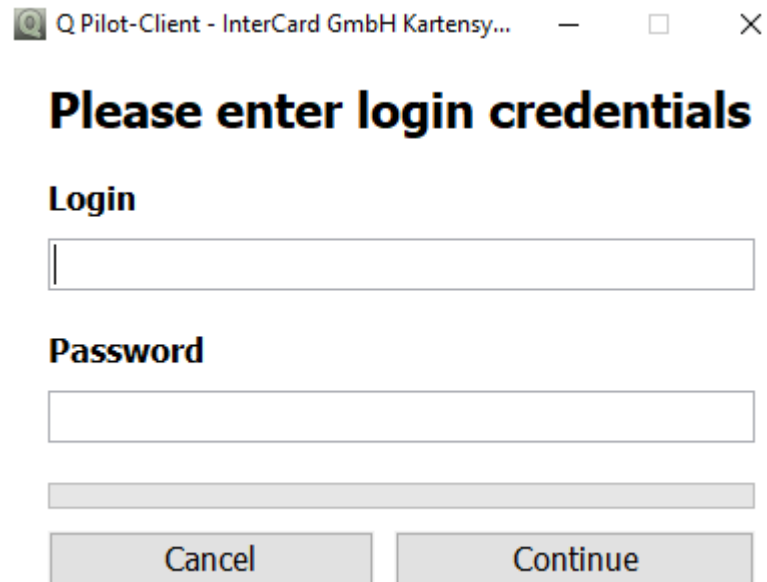

HCU-IT → Printing Instructions BYOD and DMZ for Windows

In Settings > Devices > Printers & Scanners you will find a new printer called „FollowMe_PCL“.

As soon as you try to print something this Pop-Up will appear. Log in with your HCU-ID and password.
