Development Strategies for the Metropolitan Region of Kuala Lumpur

Master-Excursion SoSe 2014
Malaysia is one of the *Asian tiger-states*
The Metropolitan Region of Kuala Lumpur
The City of KL, the greater city region & the province of Selangor
Malaysia is one of the Asian Tiger States because its quick commercial development after independence and shifting to high-tech and new media oriented economy.

It is an Islamic State with multiethnic population.

Focus of the excursion:

Spatial and socio-economic Development of the Metropolitan Region. What kind of strategies could lead to economic and social wealth?

What are the future challenges for the development of the Metropolitan Region? How can planners deal with that challenges?
Development strategies for the Metropolitan Region of Kuala Lumpur
