

Grading system according to the currently valid Allgemeine Studien- und Prüfungsordnungen (ASPO = General Study and Examination Regulations) §10

The following grades are used for the assessment of a single examination performances :	
Grading Scheme	
1.0 and 1.3	very good = outstanding performance
1.7; 2.0 and 2.3	good = above the average standard
2.7; 3.0 and 3.3	satisfactory = average standard
3.7 and 4.0	sufficient = passable performance with some errors, meeting the minium criteria
5.0	fail = an achievement which does not meet the requirements

The overall grade is calculated from the average of the individual modules weighted and graded with credit points (CP) of the respective Besondere Studien- und Prüfungsordnungen (BSPO = Special Study and Examination Regulations). The overall grade is:	
	Overall Grade
at an average of 1.3 or higher	"Mit Auszeichnung bestanden" (with distinction)
at an average of 1.0 up to 1.5	very good
at an average of 1.6 up to 2.5	good
at an average of 2.6 up to 3.5	satisfactory
at an average of 3.6 up to 4.0	sufficient
